"I have been involved with RUSH-PAC for almost 20 years. I have seen it grow from a relatively small PAC to a sizeable one that can really make a difference for county roads. If you believe in good county roads, contributing to RUSH-PAC is a great way for you, personally, to make a difference."

Pete Miller

"Because motorists expect and demand county roads to be in a safe and pothole free condition, we need to support RUSH-PAC to assure that road funding and political agendas remain focused on improving the County Road System in Michigan."

Jon Rice
Kent County Road Commission

WHAT IS RUSH-PAC?

RUSH-PAC is the political fundraising arm of the County Road Association of Michigan (CRAM). RUSH-PAC stands for Rural and Urban Streets and Highways. It's a political action committee made up of people like you — who understand the value of good roads.

RUSH-PAC promotes better road policies in Michigan by contributing to the campaigns of candidates for state office who understand road issues and will advocate prudent road policies.

Together, we make our voice heard in Lansing for better roads.

WHY SHOULD I JOIN RUSH-PAC?

RUSH-PAC is an investment in better roads for Michigan. By pooling our money and targeting key Michigan House and Senate races, we're able to have greater influence in Lansing when road issues come before the legislature.

Michigan roads need more advocates in Lansing. Most all of our county rural and urban streets and highways are suffering from the neglect of consistent underfunding.

RUSH-PAC can make a difference.

HOW MUCH IMPACT DOES RUSH-PAC HAVE?

In previous elections, we've contributed thousands of dollars to candidates for state office who supported better roads — most of whom won their races and are now making decisions affecting all of Michigan.

With more than 300 contributing members, we're able to get more mileage for our money in getting good road legislation passed than we could achieve solely through individual political contributions.

RUSH-PAC gets results.

HOW IS MONEY DISTRIBUTED?

On a non-partisan basis, RUSH-PAC trustees review past voting records, interview candidates and study campaigns to determine which candidates will be the best road advocates in the next legislature. Candidates receive support based on their understanding of road issues and their willingness to stand up for improvements in road policies.

HOW MUCH MONEY ACTUALLY GOES TO CANDIDATES?

Every dollar of every contribution to RUSH-PAC goes directly to fund the campaigns of candidates who support good roads.
