“I have been involved with RUSH-PAC for over 25 years. I have seen it grow from a relatively small PAC to one of Michigan’s top 100 PACs that can really make a difference promoting sound transportation policy. If you believe in good county roads, contributing to RUSH-PAC is a great way for you, personally, to make a difference.”

“Because motorists expect and demand county roads to be in a safe and pothole free condition, we need to support RUSH-PAC to assure that road funding and political agendas remain focused on improving the County Road System in Michigan.”

WHAT IS RUSH-PAC?

RUSH-PAC is the political fundraising arm of the County Road Association of Michigan (CRAM). RUSH-PAC stands for Rural and Urban Streets and Highways. It's a political action committee made up of people like you – who understand the value of good roads and bridges.

RUSH-PAC promotes better road policies and legislation in Michigan by contributing to the campaigns of candidates for state office who understand road and bridge issues and will advocate prudent road and bridge policies.

Together, we make our voice heard in Lansing for better roads and bridges.

WHY SHOULD I JOIN RUSH-PAC?

RUSH-PAC is an investment in better roads for Michigan. By pooling our money and targeting key Michigan House and Senate races, we're able to have greater influence in Lansing when road and bridge issues come before the legislature.

Michigan roads and bridges need more advocates in Lansing. Most all of our county rural and urban streets and highways are suffering from the neglect of consistent underfunding.

RUSH-PAC makes a difference.

HOW MUCH IMPACT DOES RUSH-PAC HAVE?

In previous elections, we've contributed thousands of dollars to candidates for state office who supported better roads and bridges – most of whom won their races and are now making decisions affecting all of Michigan.

With its many annual contributors RUSH-PAC is able to get more mileage for our money in getting good road legislation passed than we could achieve solely through personal contributions.

RUSH-PAC gets results.

HOW IS MONEY DISTRIBUTED?

On a non-partisan basis, RUSH-PAC trustees review past voting records, interview candidates and study campaigns to determine which candidates will be the best road advocates in the next legislature. Candidates receive support based on their willingness to stand up for good public policy on road and bridge issues.

HOW MUCH MONEY ACTUALLY GOES TO CANDIDATES?

Every dollar of every contribution to RUSH-PAC goes directly to fund the campaigns of candidates who support a quality road and bridge network.
